Seminars, workshops, and trainings attended

Practicum Preparation Seminar Workshop

May 2016

A module designed to prepare students for professional life including how to go about their on-the-job training requirements. They are oriented regarding effective job search strategies and how one should handle himself/herself in the corporate setting.

Youth for Leadership Summit 2016

February 2016

A workshop and seminar focusing on the dimension that shifts on the role of the youth in the world of leadership and in the application of the youth in marketing. With a number of speakers sharing lessons and points to remember, this summit taught a lot from patriotism in the industry to building up and planning a financially secured future.

Graphika Manila

January 2016

A two day event that shifted the spotlight to the different artists that might be topping today's industry. With over twelve different artists from all around the world, this seminar exposed and showcased different inspiring techniques that boosted the creative juices of young and veteran artists and designers;

Adobe Software Seminar

November 2015

A workshop about the complete set of features that Adobe CC has. This seminar taught the viewers of what Adobe CC is really capable of. With a basket of techniques shown from creating web layouts in Illustrator to creating color palletes straight from a picture, this seminar really helped in the field of MMA.

The 26th Campus Journalism Awards Sports Writing Seminar

January 2015

A module designed to help campus sports journalists from all around the country. This also included a competition which served as an examination and a workshop where the lessons taught could be applied.

Benildean Press Corps Seminars and Training

Benildean Press Corps (BPC) Seminars and trainings are hands-on and mind engaging workshops designed for enhancing the skills of us campus journalists. This ongoing series of seminars and trainings include, managing training, sports writing seminar and training, literary, news, features, and digital media seminars and workshop.
